

SPONSORSHIP OPPORTUNITY

Hello!

As we begin a new program year, I am writing to ask for your sponsorship of the AFS Northern Indiana Chapter newsletter for 2025.

As a not-for-profit organization, we use these sponsorships to promote and support the foundry industry and its educational programs. In the last ten years our chapter has awarded more than \$225,000 of scholarship funds to regional students who are pursuing foundry and foundry-related fields of study.

The newsletter is sent out eight times a year to approximately four hundred recipients. These people work in foundries, for companies that supply foundries, and provide foundry services.

The chapter home page is [here](#).

The current sponsor page is [here](#).

I have attached information regarding the 2025 program year sponsorship. Please send completed forms and payment by Friday, 12/20/24.

If you have any questions, or if further information is needed, please do not hesitate to contact me. Thank you in advance for your continued support of the AFS Northern Indiana Chapter!
