

November 14, 2022

Good Morning:

As we begin a new program year, I am writing to ask for your sponsorship of the AFS Northern Indiana Chapter newsletter for 2022/23.

As a not-for-profit organization, we use these sponsorships to promote and support the foundry industry and its educational programs. In the last ten years our chapter has awarded more than \$200,000 of scholarship funds to regional students who are pursuing foundry and foundry related fields of study.

The newsletter is sent out eight times a year to approximately four hundred recipients. These people work in foundries, companies that supply foundries, and provide services to them.

The chapter home page is [here](#).

The current sponsor page is [here](#).

I have attached information regarding the 2022/23 program year sponsorship. If you have any questions, or if further information is needed, please do not hesitate to contact me.

Thank you in advance for your continued support of the AFS Northern Indiana Chapter.
